- Other** Fluent in HTML and CSS. Highly effective in AJAX, ActionScript, PHP, ASP.NET, and XML. Strong knowledge of elements and principles of design. Ability to create sketches, storyboard and conceptualize. Proficient with both 35mm and digital cameras. Excellent communication skills.

Experience

- 2009–Present** Georgetown Law: Washington, DC
Web Developer/Designer
Provide front-end code and visual designs for various clients across all departments. Some projects include designing and building web page templates, AJAX driven online event invitations, and email blast campaigns. Acting project manager for the law school's site redesign.
- 2006–Present** Pixus Media: San Francisco, California/Washington, DC
Front-End Developer/Web Designer
Partner in a small business providing clients with various online products. We primarily focus on marketing, e-commerce and business application sites. I develop the front-end and design the look and feel of the sites.
- 2006–2008** Art.com: Emeryville, California
Front-End Developer/Web Designer
Developed web pages within ASP.NET framework using tableless CSS layout for all Art.com brands including Art.com, AllPosters, Artist Rising and Posters.de. My designs included site landing pages, emailers, and various page templates. Worked with Creative and IT departments to implement designs.
- 2005–2006** Design Consultant: San Francisco, California
Web Designer/Graphic Designer
Worked with a number of companies on various web and print campaigns. My projects included everything from web banners and direct-mail flyers to full-scale sites and multiple page brochures. My clients included CNET, Coremetrics, nCircle, and Success Factors, as well as a number of smaller businesses.
- 2004–2005** nCircle: San Francisco, California
Web Designer/Graphic Designer
Worked in-house maintaining the external marketing website, including all graphic and content updates and enhancements. Designed layouts and implemented consistent branding throughout all company collateral including white papers, case studies, data sheets, emailers, and trade show posters.
- 1999–2003** Wilkinson Real Estate Advisors: Atlanta, Georgia
Web Designer
Built and maintained the company's external marketing site. The site showcased various residential properties with descriptions and photos of amenities and features. It also provided office managers with an effective tool for communication with residents.

Education

- 2001–2003** Academy of Art University: San Francisco, California
Bachelor of Fine Arts Degree in Computer Art with an emphasis in New Media
- 1995–1999** University of Oregon: Eugene, Oregon
Bachelor of Science Degree in Sociology with a Minor in Business Administration
